INFINITE EcoFlex Screen Protector – Recycled strength for your screen

Protect your phone while caring for the planet. INFINITE EcoFlex Titan Shield® is a **shatterproof** screen protector made entirely from **100% recycled and recyclable plastic** - delivering premium protection without compromising on quality.

At just 0.4 mm thin, it feels like your phone’s original screen: smooth, responsive, and virtually invisible. The **included paper-based installation tray** makes application easy and precise, giving you a crystal-clear and ultra-tough layer of protection that blends seamlessly with your device.

The EcoFlex screen protector is designed to work flawlessly with most mobile phone covers, ensuring **full compatibility** without lifting or interference. Its advanced **anti-fingerprint coating** keeps your screen looking clean and smudge-free, even with daily use.

INFINITE protection. Zero compromise.
