The MicroConnect SSTP6015P is a high-performance S/FTP CAT6 network cable, expertly designed for reliable data transmission. This 1.5-meter cable, distinguished by its vibrant purple LSZH (Low Smoke Zero Halogen) jacket, offers superior shielding against interference, ensuring optimal signal integrity. Ideal for demanding network environments, the S/FTP construction minimizes crosstalk and maximizes data transfer speeds. Built to European quality standards and leveraging MicroConnect's 20+ years of expertise, this cable provides a secure and dependable connection. The LSZH jacket further enhances safety by reducing the emission of toxic fumes in the event of a fire. Choose the MicroConnect SSTP6015P for pioneering innovation in connectivity solutions and experience premium quality at a fair price.
