

Microconnect V-UTP6A05W-FLAT-LSZH networking cable White 5 m Cat6a U/UTP (UTP)

Model: V-UTP6A05W-FLAT-LSZH

Manufacturer: MICRO CONNECT

EAN: 5715063699850

Product Code: 1078405

R797

CAT6a Flat Cables are an enhanced version of CAT6 flat cables, designed to save space in IT racks and cabinets. These cables are also ideal for installations behind baseboards, under carpets, or other flooring. Tested up to 500MHz / 1000 Mbps (CAT6a standard), they are backwards compatible with CAT6, CAT5e, and CAT5 cables. Each cable features a snagless design to prevent connector damage during tight-space installations.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
