Suitable for your computer

The small adapter helps in the office, at home or on the road when additional USB ports are needed or you depend on stable Internet access via LAN. Data transfer rates of up to 5 Gbit/s via USB 3.2 Gen 1 and network connection via Gigabit LAN are available.

Simple - chic

Functionally designed, simple and chic, the adapter is packaged in a high-quality aluminium case. In black, it fits seamlessly into mainstream IT environments. With the included USB adapter, it is just as suitable for host computers with USB-A as with USB-C port.
