R924

Sleek and subtle

Two choices let you go totally transparent to show off your phone's colour, or add another layer of depth with a clear black tint. When it's on, the case's slim profile easily slides into your pocket or bag, while the smooth shape maintains the comfortable grip of your phone.

Guards against bumps and scratches

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Made of a durable and flexible material called TPU[1] , this case safeguards your phone against any shocks and scratches it may encounter during the day. It's a clear case made to protect your phone.

Tie on some fun

It's easy to add some fun to your phone. Simply slip the strap or lanyard through the corner to personalise your case and make your phone stand out from the crowd.
