Bosch GHE 18V-50 TP Battery Black, Blue, Red, Stainless steel

Model: 06008D5000

Manufacturer: BOSCH

EAN: 4059952688299

Product Code: 1079905

R7,427

Product Highlights

If you’re looking for a powerful tool that trims tall hedges efficiently without the hassle of petrol and fumes, look no further than the GHE 18V-50 TP Professional hedgepole. With this tool you can reach the top of high hedges effortlessly, without a ladder, thanks to its 2.5 m telescopic pole and adjustable angled head. With a variable speed trigger and the patented Bosch Anti-Blocking System, this tool makes cutting thicker and taller branches easier by preventing jamming. Furthermore, the angled cutting head offers ergonomic cutting from various angles for neat finishing of hedge tops and sides.
