R5,123

Corded power meets cordless freedom for big DIY sawing jobs

When cutting beams, making furniture, or undertaking other challenging projects, the Bosch AdvancedSaw 18V-140 is the high-quality cordless jigsaw of choice for DIY enthusiasts. Thanks to a brushless motor, it unites a powerful performance, comparable to a corded saw, with a longer motor lifetime. For best results, this all-rounder leads with a cutting depth of up to 140 mm and efficient sawing of straight or curved cuts in wood, aluminium, metal, and plastic. For clear visibility of the cutting line and a cleaner work environment, this saw has a nozzle that removes up to 85 % of dust and chips directly at the saw blade. A one-hand SDS interface facilitates fast and effortless exchange of blades, for a seamless working flow. The built-in Bosch Syneon Technology provides optimum
