

FSP M580-BP Plus Case Midi Tower mITX, mATX Black ARGB

Model: POC0000247

Manufacturer: FSP GROUP

EAN: 4711498481047

Product Code: 1080793

R3,870

More than Perfect

The M580 PLUS features a complete curved tempered glass panel, offering an panoramic view from front to side, delivering a seamless, perfect visual immersion.

The curved glass of the M580 PLUS uses the most advanced manufacturing process, enhancing both transparency and structural strength.

M580 PLUS not only focuses on aesthetics but also prioritizes your safety.

Modular Daisy Chain Fans with Speed Display

Built on the foundation of the M580, the M580 PLUS is fully equipped with daisy chain modular block fans, continuing the cable-free experience.

In addition to ARGB lighting and infinity mirror fan, it features a digital display screen for fan speed and long-lasting dual ball bearing, offering both aesthetics and enduring performance!

Still Struggling to Choose a Cooler?

The M580 PLUS supports liquid cooling radiators ranging from 240 to 360 mm. Additionally, it supports air coolers up to 160 mm in height, covering most types available on the market.

We Understand Your Demands for Aesthetics

The M580 PLUS fully supports the next-generation back-connect motherboard, eliminating the hassle of cable management, as all cables are hidden on the other side, out of view.

With its seamless curved glass and modular block fans, it delivers a cable-free, flawless visual experience.

Pursuing Performance, We Think Alike

The M580 PLUS is equipped with four high-performance 30mm-thick fans, including three reverse fans, enhancing overall airflow for smoother and more stable performance. It easily handles any high-end setup with ease.

Every Precious Memory, Store Without Limits

The M580 PLUS supports up to 2 x 3.5" HDDs and 3 x 2.5" SSDs (shared with SSD slots), allowing for flexible expansion of your storage devices anytime.
