D-Link R36 wireless router Ethernet Dual-band (2.4 GHz / 5 GHz) White

Model: R36/E

Manufacturer: D-LINK

EAN: 790069470202

Product Code: 1080849

R3,755

Built for Next-Gen Wi-Fi 7 Speed Performing at the Highest Level

Meet the AQUILA PRO AI R36 BE3600 Wi-Fi 7 Smart Router, brings next-gen dual-band Wi-Fi 7 to your home with blazing-fast speeds, 160 MHz bandwidth, and Multi-Link Operation (MLO) for seamless, low-latency performance. Equipped with 2.5G LAN ports for ultra-fast wired connections, and four external antennas for stronger signal and wider coverage.

Faster, Smoother, and More Reliable with MLO

The R36 leverages Wi-Fi 7 Multi-Link Operation (MLO) technology to transmit data across multiple bands simultaneously. This advanced feature boosts overall speed, reduces latency, and improves connection reliability, delivering higher throughput and a smoother online experience across all your devices.

2.5-Gigabit High-Speed Wired Connectivity

Equipped with a 2.5-Gigabit WAN port and 3 x 2.5-Gigabit LAN ports, the R36 delivers ultra-fast, stable connections to your essential wired devices.

Smarter Power Saving with AI ECO Mode

AI ECO Mode reduces energy consumption with customizable settings, reducing wireless activity, CPU load, and Ethernet power during low usage, helping lower bills, extend router lifespan, and reduce environmental impact.

Smarter Control via the AQUILA PRO AI App

Manage your entire network with ease, optimize performance, monitor connections, block unwanted devices, set parental controls, enable guest Wi-Fi, and schedule updates, all in one powerful app.
