a built-in KVM switch function to connect and control multiple systems.

Stunning UWQHD Resolution on a 21:9 Ultra-wide Screen

Immerse yourself in a comfortable, wide viewing experience with stunningly detailed visuals. The VG3419C-2 features UWQHD resolution (3440 x 1440) and an ultra-wide 21:9 aspect ratio, offering 35% more screen space than a 27” Full HD monitor, making it perfect for enhanced multitasking.

Free Up Your Laptop Ports

The docking capability of the VG3419C-2 streamlines workflows by eliminating the need for dongles and adapters. USB-C provides seamless data, video, audio, and up to 96W charging, complemented by a built-in ethernet port (RJ45) for stable, high-speed connectivity.

Viewing Comfort with Seamless Focus

The VG3419C-2’s 1500R curve is expertly designed to maintain a uniform visual distance, providing a more immersive viewing experience. Whether you are managing multiple tasks or working on projects for prolonged hours, this monitor offers flexible viewing, reduces eye and neck strain, and enhances physical comfort to support a more efficient workflow.

Smooth Visuals With 120Hz Refresh Rate

With a fast 120Hz screen refresh rate, you can experience a truly fluid visual display. This results in improved viewing clarity, reduced screen stutter during fast-moving action scenes, and benefits work-related tasks, reducing eye strain and increasing productivity.

Streamline Your Workstation

Centralize your workflow with a KVM switch for a clutter-free workstation. Connect, control, and switch between multiple computers from a single console, eliminating the need for separate monitors, keyboards, and mouse. Enjoy seamless productivity without the hassle of moving devices around or cable swapping.

HDR10 Delivers Stellar Contrast

Compatible with the industry-standard HDR10 High Dynamic Range, this monitor delivers highly defined color, brightness, and contrast greatly exceeding the capabilities of ordinary SDR products.

Built-in Speakers

Integrated with dual 2W stereo speakers as well as incredible screen performance, this monitor provides complete multi-sensory immersion.

A New Angle on Workspace Ergonomics

Enjoy every detail with advanced ergonomics – swivel, height adjustment and a -5°~20° ergonomic tilt angle. Each provides a greater range of customizable adjustments for maximum comfort. The tilt also enables you to use the monitor while standing or having a strategic group discussion around the screen.

Eye ProTech for Comfort Viewing

Reduce your eye strain and maintain fresh-feeling eyes with ViewSonic Eye ProTech. The Flicker-Free technology eliminates screen flickering, while the Blue Light Filter minimizes harmful blue light from extended viewing periods, ensuring comfortable screen viewing.

Certified Environmental Sustainability

The VG3419C-2 is an EnergyStar-certified product that can save on energy costs while reducing greenhouse gases. The display is also TCO certified for sustainability and registered as an EPEAT product.

Dimension & I/O Ports

Conveniently mount the monitor to your preference by utilizing the 100mm x 100mm VESA-compatible mount design.
