Viewsonic VX Series VX2458-C-mhd computer monitor 61 cm (24") 1920 x 1080 pixels Full HD LED Black

Model: VX2458-C-MHD

Manufacturer: VIEWSONIC

EAN: 766907975819

Product Code: 1081055

R4,740

With an immersive curved screen, the ViewSonic VX2458-C-mhd provides a stunning viewing experience for work or play. The monitor has been designed with an 1800R curve and 85% NTSC colour coverage to deliver the perfect balance of comfort and immersion. A high 144Hz refresh rate delivers smooth animations with minimal input lag while AMD FreeSync™ virtually eliminates screen tearing and stuttering for a fluid gaming experience. Low input lag embedded in this monitor to provide users with seamless viewing experience. VX2458-C-mhd also comes equipped with ViewSonic’s exclusive ViewMode™ presets, which offer optimized screen performance for different home entertainment applications, such as watching movies, editing files, or playing video games.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

DisplayPort, HDMI ports and a DVI input offer flexible connectivity for both general use and entertainment.

Curved Screen Immersion

With an 1800R screen curvature, VX2458-C-mhd provides a truly immersive viewing experience that lets you enjoy big, bold and stunning panoramic views whether you are working or playing.

Ultra Response Time for Clear and Broadcast-quality Videos

With a stunningly quick 1ms response time, this monitor delivers smooth images without streaking, blurring, or ghosting. This blazing-fast response time is perfect for the most graphic-intense gaming, and provides amazing visual quality while watching sports or action movies. Experience digital broadcast quality and full-motion videos with razor-sharp images that never blur.

144Hz Refresh Rate and AMD FreeSync™

With a swift 144Hz refresh rate, this monitor delivers great visual fluidity and flawless graphics no matter how quickly the in-game action unfolds. With AMD FreeSync technology, action is flawlessly smooth in every scene.

Low Input Lag Embedded for Seamless Viewing Experience

The monitor embedded low input lag, utilizing a monitor process reducer, which decreases signal latency. It delivers the fastest display signal from the graphics card to the display, giving users an edge against the competition.

More Viewable colour

With 85% NTSC colour coverage, this monitor covers a larger portion of the colour gamut to deliver more shades of viewable colour, ensuring that the monitor is able to meet and exceed industry colour standard and produce colour accurately.

Flexible Connectivity

DisplayPort, HDMI, and DVI inputs offer a wide range of compatibility when connecting your devices.

High Definition Clarity

VX2458-C-mhd features a 24” Full HD 1920x1080 resolution panel for unbelievably clear pixel-by-pixel performance. Experience amazing clarity and detail for any occasion, whether working, gaming, or enjoying the latest entertainment.

Optimal Viewing Conditions

ViewSonic’s exclusive ViewMode offers specialized presets to fit different usage scenarios including “Game”, “Movie”, “Web”, “Text”, “Mac”, and “Mono” modes. These presets enhance gamma curve, colour temperature, contrast, and brightness to deliver the optimal viewing characteristics for each application.

Immersive Audio

Designed with dual integrate speakers, VX2458-C-mhd accents its incredible screen performance with immersive stereo sound for a complete multimedia experience.

Comfortable Viewing

Blue Light Filter helps to eliminate eyestrain caused by harmful light rays.

Low Power Consumption

ViewSonic’s energy efficient Eco mode adjusts brightness to the optimal setting to reduce power consumption and eye fatigue while also prolonging the monitor’s lifespan.
