

InLine 16431Z power extension 1.5 m 3 AC outlet(s) Indoor White

Model: 16431Z

Manufacturer: INLINE

EAN: 4043718334254

Product Code: 1081486

R924

Compact 3-way socket strip with type L plug for professional use in Italy.
3 combination sockets for type F and type L plugs – maximum flexibility when connecting.
35°-alignment of the sockets – ideal for IT devices, power supply units and charging equipment.
1.5 m cable for flexible positioning at workstations or mobile technology setups.
Integrated switch and increased touch protection for efficient and safe working.

The InLine® power strip ITALY in the compact 3-way version is ideal for use in professional environments with an Italian power connection (type L). The permanently installed type L plug enables direct connection to the Italian power grid. The three sockets have a combination outlet that fits both type F plugs (earthing contact, e.g. Germany) and type L plugs (Italy). This allows different device types to be connected flexibly - ideal for international setups and changing requirements. The sockets arranged at a 35° angle allow easy use even with wider power supply units. The central
