

InLine USB power supply, GaN charger, 2x USB-C, 1x USB-A, PD 3.0, safety socket

Model: 31518I

Manufacturer: INLINE

EAN: 4043718316526

Product Code: 1081618

R1,438

Experience the powerful and compact 65W GaN charger with 2x USB-C port, 1x USB-A port, 1x safety socket and 1.5m connection cable - the perfect solution for fast and efficient charging of multiple devices at the same time! Thanks to GaN (Gallium Nitride) technology, this power supply is highly efficient and allows for better performance while maintaining a smaller size. Electrons are conducted up to 1.000x more efficiently than traditional silicon semiconductors, resulting in less heat build-up and energy loss. The 65W GaN charger also supports Power Delivery 3.0 on the USB-C ports and Quickcharge 4+ on the USB-A port, and offers multiple output options.
