

InLine USB4 adapter, USB-C male/female, aluminium, grey

Model: 35900F

Manufacturer: INLINE

EAN: 4043718334025

Product Code: 1081687

R855

USB4 adapter can be used on both sides for maximum flexibility

Supports up to 240 W EPR (48 V / 5 A) for fast and powerful charging

Data transfer at up to 40 Gb/s for efficient work processes

8K@60Hz video output for razor-sharp image display

Compatible with notebooks, tablets, smartphones and external hard disks

The InLine® USB4 adapter with USB-C plug to USB-C socket is the ideal connection solution for professional applications. It combines high charging performance, fast data transfer and brilliant image quality in a single, compact adapter.

With an output of up to 240 W EPR (48 V / 5 A), it charges devices reliably and quickly - ideal for modern notebooks and tablets. The transfer rate of up to 40 Gb/s ensures efficient data communication, especially with large files or fast SSDs.

Thanks to support for 8K@60Hz, the adapter delivers razor-sharp images on compatible displays.

The robust aluminum cover in grey ensures protection and a high-quality look.
