

InLine 69927P cable accessory Cable coupler

Model: 69927P

Manufacturer: INLINE

EAN: 4043718346837

Product Code: 1081765

R924

USB-A connector for outdoor use: The shielded connector protects your connection from water, dust, and environmental influences thanks to its IP68 protection rating.

Reliable data transfer: Supports transfer rates of up to 5 Gb/s—ideal for industrial and outdoor applications.

Power supply included: Charging function with 5 V / 2 A – suitable for live USB connections.

Compact design with M20 thread: Enables integration into standard housings and distribution systems.

Flexible cable compatibility: Suitable for cable diameters of 1.5–4.5 mm, 4.5–7.5 mm – tool-free installation via silicone seal.

The InLine® USB-A cable coupling with IP68 protection is the robust solution for shielded USB connections in harsh environments. It connects two USB-A cables securely and permanently – ideal for industrial applications, outdoor areas, or measurement and control technology.

The coupling supports data transfers of up to 5 Gb/s and can simultaneously provide a power supply of 5 V at 2 A – for combined charging and data connections. The robust PA66 housing reliably

protects the interface from dust, water, and mechanical stress.

Thanks to its M20 thread, the coupler can be integrated into common housing openings or distribution systems. A flexible silicone seal ensures reliable sealing for cable diameters from 1.5 to 4.5 mm and 4.5 to 7.5 mm. Installation is tool-free and is done by simply screwing it in place.

Whether for connecting embedded systems, supply units, or peripheral devices, the InLine® USB-A coupler ensures that your USB connection is permanently secured and protected.

Material: Nylon (PA66)

Thread size: M20

Module: USB-A female/female

Seal: Silicone

Transfer rate: 5 Gb/s

Current: 2 A

Voltage: 5 V

Charging: yes

Protection rating: IP68

Temperature resistance: -25 °C to +105 °C

Cable diameter: 1.5–4.5 mm, 4.5–7.5 mm
