

InLine Cat.5e Patch Cable Connector 2x RJ45 female shielded direct

Model: 69990L

Manufacturer: INLINE

EAN: 4043718074174

Product Code: 1081773

R820

This InLine® coupler is a splice module that allows two Lan network cables with RJ45 connectors to be joined. Thanks to this adapter, it is possible to extend and splice two Ethernet patches safely and in accordance with standards without the risk of creating interference and disturbance in data transmission.
