

EMEET OfficeCore M220 Wireless Conference Speaker

Model: OfficeCore M220

Manufacturer: EMEET

EAN: 6971337726687

Product Code: 1082244

R4,490

EMEET OfficeCore M220 Wireless Conference Speaker

The EMEET OfficeCore M220 conference speaker lets you conveniently host online meetings in small and medium-sized rooms. It features 4 omnidirectional microphones that capture sound within a 360° range up to 3 meters and uses the proprietary VoicelA® algorithm for noise reduction, echo cancellation, and voice enhancement. Thanks to its lightweight design (299 g), built-in battery, and wide range of connection options—USB-C, USB adapter, Bluetooth, and 3.5 mm jack—it allows you to quickly start a meeting regardless of location or device. The daisy-chain function further expands its use in larger teams. The set includes two units.

Audibility and smooth communication

Four built-in omnidirectional microphones capture voices from all directions, allowing participants to speak freely. A range of up to 3 meters works well in typical conference rooms and during meetings with a few people. The intelligent voice localization system works with a light ring that indicates the active speaker, making it easier to follow the conversation, especially with a larger number of participants or during a dynamic discussion.

Noise Reduction and Call Quality

The VoicelA® algorithm focuses on clear voice transmission while minimizing the impact of ambient noise. Noise reduction and echo cancellation make conversations clearer, even in less-than-ideal acoustic conditions. In practice, this means fewer repetitions and greater comfort for all meeting participants.

Mobility and working from anywhere

Its light weight and compact design mean the device fits easily into a bag or backpack. The included carrying case further facilitates transport and protects the equipment while on the move. The built-in battery allows you to use the speaker without a constant connection to a power source, giving you greater freedom to organize meetings in various locations—not only in the office, but also at home or while traveling.

Flexible connectivity and greater range

The EMEET OfficeCore M220 offers several connection options, allowing it to adapt to various devices and work scenarios. The ability to connect via USB-C, the USB A200 adapter, Bluetooth, and a 3.5 mm cable (AUX in and AUX out) provides great flexibility in configuration. Additionally, the Daisy Chain feature allows you to connect two speakers, which extends the coverage area and enables you to host meetings for up to 16 people without compromising sound quality.

Compatibility and integration with your work environment

The speaker works with the most popular operating systems, such as Windows, macOS, Linux, iOS, and Android, making it easy to connect to a laptop, smartphone, or tablet. It is also compatible with widely used video conferencing platforms such as Zoom, Microsoft Teams, Google Meet, Skype,

Google Hangouts, GoToMeeting, etc., allowing you to use it in virtually any work environment without additional configuration. Additionally, the EMEETLINK software allows you to update the device and customize settings to your preferences, giving you greater control over its operation.

Included:

- Wireless conference speaker x2
- Carrying case x2
- USB-C cable x2
- 3.5 mm audio cable x2
- Chain cable
- USB A200 adapter x2
- User manual

Manufacturer	EMEET
Model	OfficeCore M220
Color	Black
Microphone array	4-microphone omnidirectional array
Microphone type	Digital MEMS
Microphone frequency response	100 Hz – 8 kHz (±3 dB)
Voice pickup range	Up to approx. 3.6 m
Peak audio output	85 dB at 0.5 m
Maximum input power	3 W
Speaker frequency response	20 Hz – 20 kHz (±3 dB)
Signal-to-noise ratio (SNR)	> 75 dB
Connection methods	USB-C cable, Bluetooth, AUX input/output, USB adapter (dongle)
Bluetooth version	Bluetooth 4.2
Bluetooth range	Up to 10 m

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. itworkup.co.za | sales@itworkup.co.za | +27 (11)541-9950

Bluetooth USB adapter	EMEET A200
Connected devices	1 via cable, 1 via Bluetooth simultaneously
Supported Bluetooth profiles	A2DP, AVRCP, HFR, SBC codec
Battery capacity	2600 mAh
Battery type	Lithium-ion
Number of meeting participants	Up to 10 people
Daisy chain (Daisy Chain)	Up to 16 people
Supported software	EMEETLINK
Input	5V, 1A
Average power consumption	1.25 W
Platforms	Compatible with Zoom, Microsoft Teams, Webex, Skype, etc.
Operating system	Windows 7, 8, 8.1, 10, 11; Mac OS 10.10 or later
Dimensions (W x H x D)	125 x 125 x 35 mm
Weight	290 g

Gross weight: 1000, Net weight: 290, Box length: 21,00, Box width: 14,00, Box height: 9,00, GPSR
