R1,761

Portable, Precision, Reliable

ASUS SmartO Mouse is tailor-made to help you work faster, better and smarter. It has been meticulous crafted for a luxurious, low-profile aesthetic with superior ergonomics to provide comfortable, effortless all-day use. With a unique elastic carrying loop and a high-performance sensor that gives it the ability to work on almost any surface, including glass, ASUS SmartO Mouse perfectly combines flexibility, style and functionality. It is your perfect executive partner.

Uniquely portable

Modern life is busy, and it’s all too easy to fumble and drop stuff when rushing around the office. That’s why we designed ASUS SmartO Mouse with a built-in carrying band. This elasticated loop hooks onto a finger and ensures that ASUS SmartO Mouse stays secure as you wander to your next workspace. It’s simple but effective — a small boost for everyday mobility.

Fast and accurate tracking on almost any surface

Durability you can count on

Superior switches

The switches used in ASUS SmartO Mouse are engineered to last, with a 10-million-click lifespan providing up to 3x the longevity of traditional office mice.

A year of uninterrupted use

ASUS SmartO Mouse practically eliminates battery-life concerns, with integrated power-saving technology that ensures it’ll keep going for up to one year on a single AA cell. So, you’re free to focus on your tasks without interruption.

All-day comfort

ASUS SmartO Mouse exudes executive style, and is finished in Secret Black. It is engineered with a strong, tactile aluminum scroll wheel that’s fit for business, and has two side buttons to extend your control. Right below these is a thumb rest that provides a comfortable bed for your opposable digit and allows ASUS SmartO Mouse to cast an elegant silhouette.

Work the way you want

ASUS SmartO Mouse includes intuitive software that allows you to customize the way it works and monitor vital statistics, such as battery life, DPI and polling rate. With six customizable buttons, you can configure ASUS SmartO Mouse to maximize your workflow, and easily make tracking accuracy and polling-rate adjustments in the software functions page.

Everyday hygiene, built right in

The surface of ASUS SmartO Mouse is treated with the new ASUS Antibacterial Guard. This special treatment has been scientifically proven to inhibit bacterial growth3 by over 99% over a 24-hour period to potentially reduce the spread of harmful bacteria via contact.4,5

Connect cordlessly to multiple devices

ASUS SmartO Mouse connects cordlessly in whatever way you prefer, with both 2.4 GHz RF and Bluetooth built right in. With RF 2.4 GHz you’ll enjoy fast, smooth and lag-free responses for uninterrupted productivity, while the Bluetooth mode provides easy wireless connectivity with any compatible device and maximizes battery life. ASUS SmartO Mouse is also able to pair with up to three Bluetooth devices, and switching between them is as simple as pressing a button — perfect for multitasking.
