Sandberg Headlamp 5in1 Recharge Sensor is your friend in the dark. With rechargeable battery and sensor that allows you to turn it on and off by simply waving your hand in front of the light. With super bright LED light, 5 adjustable light settings and red light option, and a long battery life, it is perfect for both outdoor adventures and everyday use in the garden or on a run. The adjustable strap ensures a comfortable fit and the waterproof construction makes it reliable in all weather conditions. Charge it easily via USB and always be ready for the next adventure!
