Product Code: 1085007

R3,054

The Vintage microwave oven is ideal for any time of day: you can cook your lunch, from main courses to side dishes; you can heat your breakfast, such as croissants and milk; and defrost food quickly. With a capacity of 20 liters and 800W, you can prepare many recipes and choose between 5 cooking levels by also setting the cooking timer up to 30 minutes. Give your kitchen a retro and sophisticated touch with the microwave's vintage design and pastel colors.
