Keep You Concentrate

The slim and lightweight design allows you to effortlessly improve productivity, whether you're working at a café, in the office, or working remotely.

One Cable For All

With just one Type-C cable, this portable monitor receives both power and display signal, making it incredibly convenient and clutter-free. Simply plug and play for a seamless experience wherever you go!

Universal Connection

Effortlessly connect your camera, gaming console, or smartphone with universal compatibility. Enjoy vibrant visuals on a single screen, no matter the device, for work or entertainment.

L-Shaped Cables

The L-shaped cable design offers endless and visually pleasing choices for arranging your cables and screens. This design makes it easy to create a workspace that is both organized and visually appealing.

Flexible Viewing, Smarter Setup – Your Screen, Your Way!

Designed for maximum flexibility, the built-in adjustable stand lets you find the perfect viewing angle with ease. It also supports tripod mounting and is VESA-compatible, making it easy to integrate into any workspace—whether on a desk, a wall, or part of a professional setup.

Fit Any Angle and Scenario

Adjust the stand to the suitable angle that fits you most.

Tripod Mount Support

With tripod mount support, set up your monitor anywhere for stable, hands-free viewing—perfect for filming, presenting, or on-the-go work.

VESA Mount Support

Supports VESA mounting, making it ideal for counters, POS systems, and industrial setups. Easily integrate into any fixed installation for a clean and professional look.

Simplicity At Your Fingertips -

Display Kit App

The MSI exclusive software Display Kit provides the most convenient tool, the proper display that allows you to read and enjoy the image at the same time & color mode to you while working or everyday.

Power Saving Product

It is our responsibility to promote sustainable development and we proudly offer an eco-friendly product, contributing to a greener environment.
