R1,821

All-Around Protection

Enjoy reliable surveillance indoors and outdoors. With an IP65 rating, the camera withstands heavy rain and dust – ideal for monitoring packages and vehicles outside or keeping an eye on key indoor spaces like your baby's room.

Complete Panoramic View with Pan and Tilt

Smooth panning and tilting provide a full panoramic view, ensuring no movement is missed with fluid tracking.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Smart Motion Tracking:

Continuously Monitors & Follows Movement

Motion triggers automatic tracking, keeping people and pets within the camera's view even as they move.

AI-Powered Detection: No Subscription Required

Gain peace of mind and receive more relevant real-time notifications with AI detection that alerts you when people, pets, and vehicles are detected within frame or when a baby's cries are heard.

Two-Way Audio

Engage in seamless real-time conversations with anyone within the camera's view thanks to integrated microphone and speakers.

Pair with Smart Assistants

Use voice commands with Amazon Alexa and Google Assistant for hands-free control.

Your Complete Control Center: The Tapo App.

Is a family member babysitting while you're away? Share access to the baby room camera so they can keep an eye on your baby during naptime.

Tapo App: Bluetooth Onboarding

Use Bluetooth to easily onboard the camera with the Tapo App. Wi-Fi onboarding also available.

Optional Mounting

Use the included mounting template to install onto walls or ceilings.
