Tomtoc Explorer-T71 travel laptop backpack, 24l (black)

The Tomtoc Explorer-T71 is a sturdy 24-liter backpack with a convenient pocket layout for easy organization of daily accessories and essential devices. It features four large compartments, including a separate one for a laptop, making it an ideal choice for business travel or short trips.

Effective protection for your equipment

The laptop space features thick, protective EVA foam padding to cushion and protect devices from drops, scratches and shocks. Meanwhile, the outer material of the backpack is durable, water-resistant polyester, which protects the contents of the backpack in case of inclement weather or accidental splashes.

Practical pockets for accessories

There are two zippered pockets on the front of the backpack, which you can access with lightning speed. They will be perfect for storing small items such as your passport, keys or phone so that you always have them at hand. In addition, a separate laptop pocket with a flap of waterproof material protects your device from accidental spills.

Complete carrying comfort

Soft, breathable padding on the back and contoured, padded, adjustable suspenders ensure all-day comfort, even when carrying for long periods. The backpack is also equipped with a sternum strap to help distribute weight evenly across the shoulders, and a luggage strap to attach the backpack to a suitcase. With sturdy YKK zippers and a practical cable grommet, the Explorer-T71 becomes indispensable for everyday use.
