Connect a USB Type-C device to a USB-C wall charger or host computer

Connect a charger or hub to a USB PD-enabled device using this Rugged USB-C Cable, delivering up to 60W Power Delivery and 3A output for fast charging. Clear markings on each connector eliminate confusion, helping you identify the right cable instantly. No more guesswork with lookalike or unmarked USB-C cords.

Rugged and Flexible

The USB-C Charging Cable features a TPE inner jacket with a braided nylon exterior for optimal flexibility and wear protection. The durable nickel-plated connectors are designed for frequent daily use, and are rated to operate beyond 10,000 insertion cycles.

Charge Mobile Devices On The Go

Charge a USB-C device with a USB-C wall charger, car charger, or power bank. The 15cm (6-inch) USB Type-C cable is the ideal length for mobile workstations or in-car use.

Power a Laptop

With up to 3A of output, the USB-C Charger Cord supports up to 60W of Power Delivery to charge a USB-C laptop or fast-charge a tablet or smartphone. To use, connect the cable from a USB-C laptop to a USB-C wall charger.
