

NEEWER 6800 mAh, 14.5 V, 99 Wh Battery

Model: PS099EP

Manufacturer: NEEWER

EAN: 6976831839741

Product Code: 1088029

R3,768

NEEWER PS099EP 6800 mAh 14.5V 99Wh battery

The NEEWER PS099EP is a compact V-Mount battery with a capacity of 6800 mAh (99 Wh) and a voltage of 14.5 V, offering exceptional performance thanks to PD fast charging at up to 100 W. A full charge takes approximately 2 hours using a compatible charger, allowing you to quickly prepare your gear for any assignment. Its compact dimensions of 115 × 77 × 60 mm and weight of 630 g make it highly portable and perfectly suited for mobile film sets.

Power multiple devices simultaneously

The battery is equipped with a versatile range of ports, including two USB-C, USB-A, DC 8V and 12V, as well as BP and D-Tap connectors. This allows you to power several devices simultaneously without a drop in performance, supporting a total output of up to 100 W. This solution is ideal for complex rigs featuring cameras, field monitors, LED lighting, and other professional video equipment.

Fast charging and stable operation

Support for various fast-charging protocols, such as PD 3.0, QC, and PPS, ensures flexibility and compatibility with a wide array of power sources. The integrated battery management system (BMS) maintains stable voltage and provides protection against overcharging, overheating, and power surges. This allows you to focus on your creative work without worrying about safety or operational continuity.

Clear display and user-friendly design

The large 1.96-inch OLED screen allows for a quick check of the charge level and real-time status. A dedicated power switch helps conserve energy when the battery is not in use, while non-slip elements improve handling comfort and grip. It is a practical solution for professionals working in diverse environments, from controlled studios to demanding outdoor locations.

Included

- V-Mount Battery PS099EP x1
- User manual x1

Specifications

Manufacturer	Neewer
Model	PS099EP
Product type	V-Mount battery
Capacity	6800 mAh
Voltage	14.5 V
Energy	99 Wh
Max PD power	100 W
Charging time	Approx. 2 hours
Ports	2 × USB-C, USB-A, DC 8V, DC 12V, BP, D-Tap
Material	Fire-resistant PC V0

Dimensions 115 × 77 × 60 mm
