

De’Longhi Inissia EN 80.BAE Fully-auto Espresso machine 0.7 L

Model: EN80.BAE

Manufacturer: DELONGHI

EAN: 8004399328419

Product Code: 1088444

R3,755

With a tiny footprint, compact, lightweight and equipped with an ergonomic handle, the Nespresso Inissia Espresso Machine by De'Longhi is a smart little machine to make your life easier and fit perfectly into any interior design. Simple to use, it offers an impeccable barista-style coffee every time, thanks to its simple, one-touch operation and patented extraction system which delivers up to 19 bar pressure. A fast heat-up time means the water reaches the ideal temperature in just 25 seconds, while a folding drip tray for taller recipe glasses and an energy saving mode that automatically switches the machine off after 9 minutes make your life easier.

Packaged with the Aeroccino, which provides a smooth, finely textured hot or cold fresh milk froth for your coffee recipes via an ultra simple and fast automatic system, in a few seconds, without noise or vibration. The Aeroccino also heats milk for your Caffè Latte or Cappuccino.
