

Conceptronic PARRIS04B Bluetooth Kids Headset

Model: PARRIS04B

Manufacturer: CONCEPTRONIC

EAN: 4015867242285

Product Code: 1088587

R1,184

Designed specifically for young listeners, this Bluetooth Kids Headset combines safety, comfort, and reliability to keep kids engaged while giving parents peace of mind. The built-in 85dB volume limit helps protect developing ears, and the soft, adjustable design ensures a comfortable fit for extended use

With up to 10 hours of wireless playtime, it’s perfect for car rides, study sessions, and daily activities. The integrated microphone supports online learning and video calls, while the 3.5mm audio jack offers a dependable wired option when Bluetooth isn’t available or the battery runs low.

Ideal for school, travel, or home, this headset delivers kid-friendly audio in a safe and flexible design.
