StarTech.com PCI to PCI Express Adapter Card - TAA

Model: PCI1PEX1

Manufacturer: STARTECH.COM

EAN: 065030837835

Product Code: 1088588

R2,242

Install half-height/low profile x1 PCI Express interface cards in a standard PCI expansion slot

The PCI1PEX1 PCI to PCI Express Adapter card lets you use low profile PCIe expansion cards in a server/desktop motherboard PCI slot. The adapter connects through a 32-bit PCI slot to provide a low profile PCIe x1 slot in its place; a spare, full size bracket is included for installation in larger desktop or server expansion slots that can accommodate a full-sized card.

The PCI to PCI Express Adapter features an innovative bracket design that adapts and secures the low profile PCI Express card into the converted slot, ensuring a versatile and economical solution for extending the usability of older PCI motherboards or using low profile PCIe cards that do not have PCI equivalents.
