

i-tec KVM Docking Station HDMI for 2 hosts, Power Delivery 2x 100W

Model: C31KVMHDMIDOCKPD

Manufacturer: I-TEC

EAN: 8595611707766

Product Code: 1089241

R2,242

Compact and versatile docking station with integrated KVM switch for up to two hosts. Seamlessly switch between computers and share one monitor, keyboard, mouse, and accessories. With support for an external 4K/60 Hz display, dual Power Delivery (up to 2× 100 W*) and a wide range of USB ports, this docking station is the ideal solution for professionals looking for efficiency, flexibility and space savings.

Whether you use Windows, macOS, Linux, Android, ChromeOS, or iPadOS, this station makes it easy to work with multiple devices—at home, in the office, or on the go.
