T9 microSD Card

The T9 UHS-I[1] microSD card is engineered to help you reach your full creative potential. With blazingly-fast and reliable performance, you'll be able to capture lag-free 4K videos[2] effortlessly on your drone or action cam, or load and play the most performance-intensive games with ease.

Stay in the fast lane

Skyrocket your productivity and creativity with sequential read and write speeds[3] of up to 200MB/s and 130MB/s. U3 and V30 ratings[4] make capturing 4K UHD video[5] easier, while A2 performance[6] promotes fast loading and seamless multitasking even when running performance-intensive apps.

Capture your content

The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

However extensive your gaming collection or the total number of videos you've recorded, with storage capacities from 128GB to 512GB,[7] the T9 microSD card should keep all your data tucked safely away for quick and easy retrieval, whenever and wherever you need it.

For Endless Gameplay

Built for gamers who demand fast load times, stable performance, and uninterrupted play. Designed to handle large game files and frequent updates with confidence, so every session stays smooth from start to finish.

Ready for Creative Projects

Designed for creators who work with large files, tight deadlines, and multiple projects at once. Built to deliver fast transfers, dependable durability, and seamless performance that keeps your creative process moving without interruption.

Extensive Compatibility

The T9 microSD card is compatible with Android smartphones and tablets for heavy-duty application usage or file saving, as well as drones, action cameras, laptops, and handheld gaming consoles. It is an optimal ultimate solution for professional videographers and gaming enthusiasts alike.

Peace of mind protection

You're in safe hands. With 6-proof durability,[8] which protects your data from water, extreme temperatures, x-rays, and even accidental drops, the T9 microSD card is designed to withstand almost anything you can throw at it, making it well suited for use on the move.

Magician Software 9.0

Manage your memory card confidently with Samsung Magician software, a set of helpful tools that supports your everyday use. Verify product authenticity, help protect your photos and videos and monitor card health with ease.
