7-in-1 Wet and Dry Vacuum

H15 Mix delivers 7-in-1 multi-functional cleaning, tackling multiple surfaces with ease. The GapFree™ AI DescendReach robotic arm enables precise triple-edge cleaning, while 23,000Pa suction handles wet and dry messes. The TangleCut™ 2.0 Resilient Scraper prevents tangles from human hair to pet fur, and the Smart Ratio Cleaning Solution auto-adjusts based on dirt levels. A detachable battery pack extends runtime, while ThermoTub™ self-cleans with 100°C hot water and dries in 5 minutes with 90°C high-speed air for effortless maintenance.

7-in-1 Multi-Functional Vacuum

Effortlessly switch between floor washing and vacuuming with a high-speed motor and 6 versatile modes and attachments, handling various surfaces from deep carpets to tight gaps.

Thorough Floor Washing with Smart AI Robotic Arm

Ensure a deep clean with H15 Mix's AI DescendReach Robotic Arm, which facilitates triple-edge cleaning for spotless corners and edges. The 180° lie-flat design reaches under furniture, while 23,000Pa suction effortlessly removes wet and dry messes.

Optimize Your Clean, No Calculation Needed

Dirt detection, suction power, water flow, and detergent concentration automatically adapt based on the detected dirt level to clean messes and grime, bringing a more tailored cleaning experience and enhancing deep stain removal capability.

Hands-Free Maintenance

H15 Mix rinses and dual-rotates the brush inside the base with 100°C hot water for efficient grease removal, while high-speed 90°C hot air dries the brush in just 5min. Its TangleCut™ 2.0 Resilient Scraper delivers a 100% tangle-free clean—no more hair hassles.
