Punchy bass. Clear sound no matter what you're listening to

What's life on the go without your favorite tracks? These headphones deliver big bold bass from powerful 10 mm drivers. Enjoy comfortable listening from ear buds that fit just right.

Built-in DAC enhances the sound quality

Pay your playlists the proper respect by listening to them the way they were meant to be heard. These headphones feature built-in DAC which enhances the quality of what you listen to. Enjoy every second of the tunes you love.

Rock your music in real comfort all day

An oval acoustic tube and three sizes of interchangeable rubber ear tips create a perfect seal that you can wear for hours at a time. Enjoy all-day listening comfort.

3-button in-line remote. Easily control music and calls

The included 3-button in-line remote makes these headphones a simple pleasure to use. Make calls, navigate your playlists and ask your voice assistant anything - all without touching your smartphone.

Built-in mic. Switch from playlist to call in an instant

These great headphones feature a built-in microphone that lets you switch easily from listening to tunes to taking calls so that you'll always stay connected no matter what.

1.2 m cable with USB-C connector

Simply connect to USB-C ports without a conversion adapter. The headphones can be connected to any smartphones, tablets or PCs that are equipped with USB-C port.
