Now for the little ones

We are not only offering a backplane solution for 3.5", now there is a solution for 2.5" HDDs and SSDs. It can hold 4 HDDs with a maximum height of 15 mm.

An elaborated system

To prevent overheating of the HDDs and SSDs at full duty, the aluminium case provides a good heat dissipation and is a perfect match wit the two 40-mm Fans.

Fast transport
