cleaner.

Ergonomic design for maximum comfort and flexibility.
Enjoy maximum versatility with the Unlimited 7, designed to clean all types of surfaces, including the most difficult areas of the house. The flexible tube allows you to clean even under furniture without effort, the convenient clip allows you to rest the vacuum cleaner anywhere during breaks, while thanks to the self-supporting function, the brush and tube remain standing by themselves, while you dedicate yourself to cleaning with the crumb vacuum cleaner. You can also release the brush conveniently with your foot, without having to bend over.

33% longer runtime for cleaning up to 100 m².
With the powerful and long-lasting 3.0 Ah Power For All battery from Bosch, even the most demanding cleaning tasks can be completed effortlessly. The lithium-ion battery is rechargeable, interchangeable and protected against overheating and overload. In addition, the battery guarantees 33% longer runtime* 2 , while maintaining a consistently high performance. You can clean up to 100 m² with a single battery charge* 3 - without interruptions and without having to worry about charging time.

Motorized brush with LED lights

Enjoy optimal cleaning results on all surfaces, including the most difficult and hidden corners. The powerful motorized brush achieves a dust collection capacity of more than 99.9%* 4 . Thanks to the integrated powerful LED lights, you can easily spot dirt and dust even in places that are difficult to see, such as behind furniture or in dark corners. In addition, 30% more dust can be collected on carpets* 5 , for a clean home in the blink of an eye.

Powerful motor made in Germany.
Uncompromising performance with the brushless TurboSpin motor from Bosch, developed and manufactured in Germany. The 3-speed digital motor is extremely efficient, 31% lighter and 21% faster – up to 66,000 rpm – for greater maneuverability and consistently excellent performance.

Bosch motor – Quality made in Germany.
Experience excellent performance with Bosch vacuum cleaners: we have been designing and manufacturing motors for over 80 years and expect optimum cleaning results combined with a long service life from a vacuum cleaner. That's why we offer a 10-year guarantee on the 1 *** motor.

90° flexibility. 100% fun – now also under furniture.

Clean under furniture or sofas effortlessly: The new flexible hose allows you to effortlessly clean under furniture, sofas or beds. Dust and dirt no longer stand a chance even in the most hidden places, thanks to the consistently high power, even when the hose is bent. Enjoy 100% flexibility thanks to the 90° angle, which makes cleaning even hard-to-reach areas child's play.

Maximum convenience thanks to the free-standing function.

Save time and energy thanks to the free-standing function. You can easily and effortlessly switch from floor cleaning to crumb vacuuming mode: the hose and brush remain upright on their own. There is no need to put the vacuum cleaner down on the floor or return it to the docking station.

Clean from floor to ceiling in the blink of an eye.

Details that make the difference. Now you can easily switch from cleaning the floor to the ceiling with a small movement of the foot. The convenient brush release separates the brush from the tube with a simple click on the pedal. You will never have to bend down to remove the brush manually again.

Securely attach the vacuum cleaner to the edge of furniture for a break.

No more docking the Unlimited or putting it on the floor when you want to take a break. Thanks to the convenient parking clip, you can attach the vacuum cleaner anywhere without effort - on the edge of furniture, such as a table, a shelf or the back of a chair. In addition, the rubber surface of the clip prevents scratches and slipping.
