Confidential Viewing, Anywhere You Work

Whether you're in transit, at a client meeting, or working in a shared space, the eSTUFF Edge Privacy Filter keeps your screen content private. Its advanced “black-out” technology ensures clear visibility for the user while blocking side views beyond a 60-degree angle – protecting sensitive data from curious glances.

Premium Protection with Touch-Friendly Surface

In addition to privacy, the filter shields your screen from scratches and everyday wear. Its smooth surface supports natural touch interaction, allowing for effortless swiping, tapping, and typing.
