## R3,067

### HiBREW H2B 5-in-1 capsule coffee machine (gray)

Enjoy hot and aromatic coffee in the morning. The HiBREW H2B coffee machine stands out with its 19 bar pressure and 1450 W power rating. What's more, it is compatible with various types of capsules. In addition, it allows you to adjust the intensity of the drink and is equipped with a 600 ml water tank. It also allows you to prepare iced coffee.

### Make the coffee you like

The HiBREW coffee machine is compatible with Nespresso, Dolce Gusto, Kcup capsules and E.S.E. pods. It also allows you to brew ground coffee. What's more, you can adjust the intensity of your drink to 7 levels – just press a button. In addition, you can prepare coffee with a maximum capacity of 350 ml.

# Iced coffee

HiBREW H2B also allows you to prepare iced coffee, which is perfect for hot days. To prepare a refreshing drink, press and hold the power button for 2 seconds. Then set the intensity and press the dedicated button to start preparing the coffee.

## Delicious coffee in 40 seconds

The HiBREW H2B coffee maker operates at 1450 W and uses 19 bar pressure. What's more, it heats up quickly and is equipped with a temperature monitoring function, so you can be sure that the device is completely safe to use. What's more, it only takes 40 seconds to prepare an invigorating espresso.

## Thoughtful design

The device is designed to be convenient and safe to use. The coffee maker is equipped with a drip tray that is easy to clean. The handle is made of stainless steel and coated with copper, and the water tank is made of high-quality materials that do not contain harmful BPA. In addition, the modern design of the coffee maker will fit perfectly into almost any kitchen interior.

## Included in the set
