R889

The MicroConnect Velcro Tape, 10m in Black (MPN: CABLETAPE) offers a versatile and reusable solution for cable management and organization. This 10-meter roll of black Velcro tape provides a secure and adjustable fastening system for bundling cables, securing items in place, or creating custom closures. Perfect for home, office, or on-the-go use, this tape eliminates the need for permanent adhesives or messy ties. Benefit from MicroConnect's dedication to quality with this durable and easy-to-use Velcro tape, ensuring a tidy and organized workspace. A must-have accessory from our range of cable accessories, offering premium quality at a fair price, reflecting our 20+ years of industry experience.
