

i-tec SOLOMON 200 1080p Business Webcam

Model: CAMSOLOMONF200

Manufacturer: I-TEC

EAN: 8595611708039

Product Code: 1091902

R1,119

The i-tec SOLOMON 200 1080p Business Webcam is designed for professional communication in modern offices and hybrid work environments. Compared to standard Full HD webcams, it combines an 85° field of view with dual microphones featuring echo noise reduction and voice enhancement, helping ensure clear video and natural voice transmission during online meetings.

Automatic image optimisation technologies deliver balanced colours and consistent image quality in varying lighting conditions, while the integrated privacy shutter provides additional user protection. Optimized for Microsoft Teams, Google Meet, Cisco Webex, Zoom and other videoconferencing platforms, the SOLOMON 200 is an ideal solution for high-quality home office use, business communication and everyday video conferencing.

AUTOMATIC IMAGE OPTIMIZATION

Automatic Exposure (AE) automatically adapts brightness and contrast to changing lighting conditions, keeping the subject clearly visible without overexposed highlights or dark shadows, all without manual adjustment.

Automatic White Balance (AWB) automatically adapts color temperature to different lighting conditions, keeping whites neutral and skin tones natural for consistent, accurate color reproduction without manual adjustment.

Automatic Black Level Control (ABLC) dynamically adjusts black levels to preserve shadow detail and contrast, preventing crushed shadows or washed-out blacks for a deeper, more balanced image.
