Osmo Action diving accessory kit

Capture the beauty of the underwater world and create plenty of stunning shots. The kit includes a waterproof case designed for the DJI Osmo Action 3, a floating handle, a locking screw and anti-fog inserts. This will give you the ability to safely submerge your camera to a depth of up to 60m. This is the perfect solution for diving enthusiasts! Note: before use, close the camera battery cover and tighten the lens cover. The housing features IP68 water resistance. Do not use the camera in hot springs or expose it to corrosive substances.

In the box

- DJI Floating Handle
- Locking screw
