Double monitor mount 13-30" Huanuo HNDS6

Huanuo's Double Monitor Holder is designed for those who appreciate a wide and orderly workspace, convenience and security when working on a desktop computer. Thanks to the unique design of the two mounts, you can enjoy the simultaneous use of two monitors, which significantly increases the efficiency and comfort of work, and the high-quality materials from which the mount is made provide additional safety for the user and his equipment. Ideal for gamers, graphic designers or illustrators, the mount will find its use in any situation.

Versatile adjustment for optimal ergonomics

With full adjustment, you can customize your monitors to suit your individual needs. The mount allows you to tilt from $+35^{\circ}$ to -50° , rotate right and left 180° , and fully rotate 360° around. In addition, the maximum height of 15.75 inches and the extension to a distance of 17.32 inches allows the screens to be perfectly positioned within your line of sight, significantly improving ergonomics

and comfort.

Reliable design and durability for years to come

Huanuo HNDS6 is a mount designed for long-term use. Made of aircraft-grade aluminum, iron and equipped with a gas spring, it is extremely sturdy and durable. Tested more than 20,000 times, it provides the reliability you'd expect from a top-quality product. In addition, its arms are 20% thicker than those of standard handles, further enhancing its stability and durability.

Innovative installation and easy space management

Thanks to the innovative Swift-Lock feature, installation of the Huanuo HNDS6 mount is quick and easy. Dual C-clamps provide a solid attachment to the desk, eliminating the need for complicated tools. The freedom and flexibility offered by this mount allows you to easily manage your workspace, resulting in a better organized workstation and increased productivity.

Versatility and increased work efficiency

The Huanuo HNDS6 supports monitors from 13 to 30 inches and weighing up to 6.5 kg. Compatible with VESA standards (75 x 75 mm or 100 x 100 mm), it fits most monitors on the market. With the ability to adjust monitors with one hand, you can quickly and easily find the most comfortable position for you, allowing you to increase focus and efficiency while working. By choosing the Huanuo HNDS6 dual monitor mount, you are investing in comfort, health and productivity. It's the perfect solution for anyone who wants to make the most of their workspace and enjoy an ergonomic, organized workstation.
