R2,549

Powerful shave, gentle on skin with SkinIQ Technology

Powerful performance in every pass

With up to 90.000 cutting actions per minute, the SteelPrecision blades shave close, cutting more hair per stroke. The 45 high-performance blades are self-sharpening and made in Europe.

Adjusts to your beard for effortless shaving

The intelligent facial-hair sensor reads hair density 250 times per second. The technology dynamically auto-adapts cutting power for an effortless and gentle shave.

Flexible heads follow your facial contours

Fully flexible heads turn 360° to follow your facial contours. Experience optimal skin contact for a thorough and comfortable shave.

Engineered for precision and cutting efficiency

The new shape of the shaving heads is engineered for precision. The surface is enhanced with hair guiding channels, designed to move hair into an effective cutting position.

One-touch open for easy cleaning

Clean the shaver with ease. At the touch of a button, flip open the shaver head and rinse with water.

Shave wet, dry and even under the shower

Adapt your shaving routine to your needs. With Wet & Dry, you can go for a comfortable dry shave or a refreshing wet shave. You can shave with gel or foam even under the shower.

Precision trimmer integrated in the handle

Complete your look using the shaver's pop-up precision trimmer. Integrated into the shaver's body, it's the perfect way to maintain a mustache and trim sideburns.

Up to 60 minutes of cordless shaving when fully charged

Shave cordlessly for up to 60 minutes after one full battery charge.

1-hour charging time and 5-min quick charge

Charge your shaver fully in just 1 hour with the powerful and energy efficient lithium-ion battery. In a hurry? Plug in your shaver for 5 minutes and get enough power for 1 full shave.

Shaver comes with Eco passport

Our production facility for blades uses 100% renewable electricity, and our packaging is made with recyclable materials. All shavers come with an Eco passport.

LED display with icons to use the shaver intuitively

The intuitive display shows relevant information, enabling you to get the best experience out of your shaver. This interface includes: 3-level battery status, cleaning advice and travel lock indicator.

Convenient charging

At Philips, we drive sustainability in all aspects of product creation. Our ambition is to reduce waste and minimize the number of USB adaptors we put in the market. Should you need an adapter, a suitable supply unit is available via: www.philips.com/support

Strenghtened with palladium for longer shaver lifetime

Our shavers motor and battery are engineered for durability, having long lasting power for a powerful shave

Reset your shaver to new

Within two years, your shaver heads cut 9 million hairs on your face. Replace the shaver heads and get back to 100% performance
