NEEWER RH12B Pro 12" 30W LED Ring Light

The NEEWER RH12B Pro LED ring light delivers 30 W of power and uses 180 high-quality LEDs that generate a light intensity of up to 3,290 lx at a distance of 0.5 m at a color temperature of 7000 K. The diffuser evenly disperses the light, resulting in soft, natural, and eye-friendly illumination. This model is perfect for recording content for YouTube and TikTok, hosting live streams, applying makeup, studio photography, creating podcasts, video calls, or producing professional photos and videos.

Lighting tailored to every situation

The lamp is equipped with 90 LEDs that emit warm light and 90 LEDs that generate cooler tones. In CCT mode, the color temperature can be adjusted from 2900 K to 7000 K, and the brightness can be

smoothly adjusted from 1% to 100%. High CRI 97+ and TLCI 98+ values ensure natural color reproduction. Users also have access to 12 lighting effects that make it easier to create professional videos and photos.

Sturdy Construction and Convenient Adjustment

The set includes a foldable tripod made of durable aluminum alloy, which can be adjusted from 54 to 180 cm. This allows you to position the lamp at eye level or above your workspace. The tripod's legs fold upward for easy transport and storage, and the sturdy construction ensures stability during everyday use.

Freedom to set the perfect shot

The included 1/4-inch threaded ball head allows for 360° rotation and 90° tilt adjustment. This allows you to quickly and conveniently position the light exactly where you need it. This solution provides greater flexibility when taking photos, recording videos, and streaming live.

A kit designed for mobile photography

The light is equipped with a 360° rotatable smartphone mount with a flexible arm, allowing you to use your phone in both portrait and landscape orientation. The model is compatible with, among others, the iPhone 16, iPhone 15 Pro Max, Samsung Galaxy S25 Ultra, Samsung Galaxy S24 Ultra, and other mobile devices of similar dimensions. The set also includes a wireless Bluetooth remote control that lets you take photos, record videos, and create vlogs with the press of a single button.

Included in the set

- RH12B Pro ring light
- Tripod
- Ball head
- Flexible phone mount
- RT116 Bluetooth remote control
- USB power adapter
- USB-C cable
