Wide angle lens cap for DJI Mini 4 Pro

Discover new possibilities for your DJI Mini 4 Pro drone with a wide-angle lens cap from DJI. The product expands the field of view: in photo mode from 81.5° to 114°, and in video mode from 75° to 100° (16:9 format). It's ideal for photography and filming enthusiasts who want to capture more in every shot, from impressive landscapes to dynamic city scenes.

Lightweight and precise design

The cap weighs just 2.3 grams, ensuring that it won't affect your drone's flight performance. It guarantees a perfect fit and seamless interaction with your DJI Mini 4 Pro. Maximize the potential of your drone by taking photos and videos that will take your breath away.
