All-Day Music

Forget about interrupted workouts and constantly checking the battery level! The headphones offer up to 7.5 hours of playback time on a single charge, allowing you to enjoy your favorite tracks for a long time without the need for frequent recharging. The package also includes a charging case, which extends their working time to up to 30 hours. With Baseus Rapid Charge technology, just 10 minutes of charging gives you an additional 2 hours of playback time.

Reliable and Fast Device Connection

Delays and connection problems are a thing of the past! Baseus Eli Sport 1 utilizes Bluetooth technology in the latest version 5.3, offering stable and lightning-fast connection to your device up to 10 meters away. With the ability to connect to two devices simultaneously, you can easily switch between your phone and laptop without disconnecting and reconnecting. Furthermore, ultra-low latency of just 0.06 s ensures perfect synchronization of sound with the image.

Ready for Every Workout

The lightweight and ergonomic design of the headphones makes you forget you're wearing them, allowing you to focus solely on your workout. The specially designed design perfectly adapts to the shape of your ear, ensuring a stable fit even during intense movement. With IPX4 water resistance, you don't have to worry about sweat or rain – now you can focus solely on your effort.

Sound Under Control

Now everything you need is literally at your fingertips. The headphones feature built-in intuitive touch panels that allow quick and convenient access to key functions. Adjusting the volume, changing tracks, or answering calls has never been easier – a light touch is all it takes to control your music without needing to take your phone out of your pocket or backpack.
