Model: USBAMAFA

Manufacturer: MICRO CONNECT

EAN: 5711045497995

Product Code: 1097046

R717

The USBAMAFA USB 2.0 adapter allows you to convert a USB-A male connection to a USB-A female connection at a convenient 90-degree angle. This angled adapter is ideal for tight spaces or situations where a straight connection puts strain on the cable or port. Perfect for desktops, laptops, and peripherals, this adapter ensures a reliable USB 2.0 connection while minimizing cable clutter and preventing damage to your valuable equipment. Trust MicroConnect for premium quality connectivity solutions, designed with over 20 years of expertise and built to European standards. This adapter offers a simple yet effective solution for managing your USB connections.
