

COUGAR Midi Tower Case Airface Pure PRO, ARGB, White

Model: 382GA50.0004

Manufacturer: COUGAR

EAN: 4710483779275

Product Code: 1097890

R2,578

Bigger on the Inside

Compressing ATX compatibility into the smallest footprint possible, the Airface Pure Pro continues the Airface legacy with a sleek, compact mid-tower form factor, featuring an ultraslim ventilation-optimized perforated panel with an iconic grooved frame.

Less Is More

Lean and ultra–compact, the Airface Pure Pro is the smallest size possible for ATX compatibility, featuring an ultraslim front panel and thinner frame.

The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Iconic Design

The Airface Pure Pro carries forward the signature design elements of the Airface series, featuring a grooved frame and a ventilation-optimized perforated ultraslim front panel, integrating these iconic details into a sleek and compact mid-tower form factor.

Alternative Aesthetics

The chamfered edges of the Airface Pure Pro create a continuous profile, offering an alternative aesthetic to the sharp lines and hard angles of traditionally designed cases, as well as making the case more gentle on the hands during handling.

Cooling Capacity

Pre-installed with 3x 120mm ARGB PWM fans at the front and an additional 120mm ARGB PWM fan at the rear, the Airface Pure Pro delivers powerful cooling and vibrant style right out of the box. Expand your cooling setup to a total of 8 fans, or take advantage of support for up to a 240mm AIO radiator or an air cooler with a height of up to 175mm to keep your system performing at its best when the game heats up.

Seamless RGB Synchronization

The integrated universal fan hub ensures seamless synchronization of the fans’ RGB lighting.

Graphics Capability

The Airface Pure Pro supports GPUs up to 320mm in length, making it an excellent choice for performance-driven builds.

Modern Connectivity

The Airface Pure Pro is equipped with USB 3.2 Gen 2 Type-C, 2 x USB-A 3.0 ports for total and seamless connectivity with the latest peripherals and devices.

Motherboard Compatibility

The Airface Pure Pro is compatible with Mini-ITX, Micro-ATX, and ATX motherboards, optimal for a variety of build requirements.

Memory Capacity

Accommodating 2x 2.5” SSDs + 2x 3.5” HDDs or a 3x 2.5” SSD-only configuration, versatile storage options gives you the flexibility to expand your storage as your needs grow.
