Model: 421-46

Manufacturer: SANDBERG

EAN: 5705730421464

Product Code: 1097905

R2,783

Sandberg All-in-1 Laptop Powerbank 25000 is your mobile power source for devices – including your laptop or MacBook. With a powerful 25,000 mAh battery, you get enough power for multiple smartphone charges or several extra hours of work on your laptop.

The powerbank charges quickly via USB-C or DC-in and delivers power from USB-C, USB-A and DC output. The DC output is adjustable from 12-24 V and can, via adapters, be matched to most laptops with DC input, making it easy to power a wide range of devices.

On top, an integrated 15 W wireless fast charger lets you charge your smartphone completely cable-free. With a compact design and a weight of only 500 g, the powerbank fits easily in your bag and is the ideal backup power solution when you are on the go, at the office or travelling.
