

ACT USB 3.2 Gen1 to 2.5/3.5 inch SATA Adapter Cable for SSD/HDD

Model: AC1515

Manufacturer: ACT

EAN: 8716065489729

Product Code: 1098119

R1,469

The easiest way to transfer data from the internal hard drive of your laptop to a new SSD or HDD is by connecting the AC1515 USB 3.2 Gen 1 to SATA Adapter Cable. Swapping hard drives never was so easy. Besides, you don't have to mount the hard drive into an enclosure first. AC1515 USB to SATA Adapter Cable supports UASP (USB Attached SCSI-Protocol) which ensures high data transfer.

The Adapter Cable is powered by USB when connecting a 2.5 inch HDD/SSD. An external power supply is available when connecting a 3.5 inch HDD. The AC1515 is ideal for data migration, drive cloning and data backup applications.

The AC1515 USB 3.2 Gen1 to SATA Adapter Cable is backwards compatible with USB 3.0, USB 2.0 and USB 1.1.
