COUGAR Unity240-FB Single-Frame 240 ARGB PWM Forward Fan with Stream Cable Design, White

Model: CF-UN240FW-RGB

Manufacturer: COUGAR

EAN: 4710483779626

Product Code: 1098382

R1,216

Cool United

COUGAR Unity single-frame PWM fans allow for easy installation with seamless integration of multiple fans, providing precise fan speed control, exceptional cooling, near-silent operation, and stunning RGB lighting.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Simplified Installation

Connecting fans one by one is a thing of the past: multiple fans integrated into a single-frame unit simplifies installation, setup, and lighting control.

Precise PWM Fan Speed Control

PWM control intelligently shifts fan speeds according to the PC's temperature, ensuring peak performance and minimal noise.

Vibrant RGB Effects

RGB side strips provide striking and vibrant lighting.

Streamlined Cable Design

Only two cables are required for multiple fans. Never has seamless connectivity been so easy.

Motherboard Sync

Take control: ARGB lighting and fan speed syncs with motherboard software.

Shock-absorbent Dampening

Rubber corners dampen vibrations for near-silent operation no matter the speed.
