Ultra-compact at just 13.5 x 13.5 x 4.5 cm, with a premium metal chassis that looks at home in any space. VESA-mount it behind your TV or display to keep your setup clean.

Optimized Thermal Design

Built to stay cool under load, the optimized thermal design helps the system stay cool and maintain stable performance while keeping noise ultra-quiet, so your workspace stays comfortable and distraction-free.

Multiple Display Support

Maximize screen real estate with multiple displays that can be connected via HDMI, and USB Type-C ports, ideal for effortless multitasking and enhanced productivity with up to 4K resolution.

Well Connected

Acer Revo Box offers versatile, high-speed connectivity with support for up to Wi-Fi 7 and Bluetooth 5.4. Front ports include USB-C, USB-A, and an audio jack, while the rear provides USB-C, two USB-A ports, and dual HDMI outputs.

Smart AI Solutions

With AcerSense™ and Acer Intelligence Space™, experience the power of AI as it seamlessly integrates into your daily tasks, providing smart insights and personalized recommendations for an enhanced user experience.
